

IMPORTANT INFORMATION ABOUT YOUR CABLE SERVICE

Dear Valued Customer,

Mediacom is committed to providing you with the latest technology and services. Over the past few years, we have expanded our channel lineup to provide local and national high-definition (HD) channels, launched Video-On-Demand services and increased Internet speeds and home phone services.

As we continue moving into the digital age, Mediacom will adjust your channel line up and convert some analog Broadcast Basic and Family Cable channels to Digital Broadcast Basic. These changes will enable us to add new channels now, and allow for future improvements. We are adding several highly-requested HD channels, including **Big Ten Network**, along with several new digital channels. In order to add these new channels, we will be moving channels to new locations. Please see details below.

We will make the channel changes beginning on July 7th and will complete the changes by July 10th.

Digital Broadcast Basic channels are included with Broadcast Basic and Family Cable service. However, a TV with a digital QAM tuner, a Mediacom Digital Converter or Mediacom Digital Tuner is needed on each TV to receive these channels. If you already have a Mediacom Digital Converter or a TV with a digital QAM tuner, you will not need any additional equipment.

On televisions that do not have a Mediacom Digital Converter, be sure to "auto program" your TV after the channel lineup changes to ensure you receive all channels.

Digital tuners that let you receive Mediacom Digital Broadcast Basic channels will be available for pick-up beginning on July 7th at your local office. Mediacom Digital Tuners are available for only \$1.99 per month.

Call 1-877-305-7466 or visit your local Mediacom office if you are interested in a digital tuner.

All of us at Mediacom appreciate your business and look forward to providing you with exciting new services in the future. If you have any questions, feel free to contact your local office or our Customer Care Representatives at **1-877-305-7466**.

Sincerely,

Doug Frank

Regional Vice President
