Subject: Channel Changes

Dear Mr. Hardy:

Mediacom will add TV Guide Network (video only-no scrolling guide) to the Digital Plus package in your area on or about August 6, 2009. The TV Guide Network will not have any scrolling channel line-up or programming information. It will be a full screen version of what used to be the top 3/4 of the screen.

The TV Guide Network will be on channel 291 and is only available by subscribing to the Digital Plus package

If there are any questions please call me at 319- 395-9699 ext 323.

Sincerely,

Lee Grassley
Senior Manager, Government Relations
