

Organizing your financial life.

Critical information at your fingertips.

Achieving life means more than wealth and money. It means being prepared to meet new opportunities and to adapt when significant life events occur.

Having all your financial information in one place can make it easier to deal with the unexpected. This document is designed to be an organizational tool that will help you and your family more easily navigate moments of change. It will also assist you in aggregating all your key financial data and suggests talking points to discuss with a Financial Advisor.

At Merrill Lynch, we can help you face life's financial challenges by taking the time to fully understand who you are and what matters most to you. We believe that a partnership with a Merrill Lynch Financial Advisor—who understands your situation, your needs and what you want to accomplish—is the best way to help you achieve the life you want.

TOTAL MERRILL®

Today you have more opportunities—and more potential pitfalls. Your financial life is more complicated. There's value in working with a Financial Advisor who takes into consideration today's financial complexities when addressing the goals you have for yourself and your family. And there's value in seeing every aspect of your financial life—your assets and your liabilities—in total.

We hope this document helps give you a view of your entire financial life, and some measure of peace of mind for you and those you hold dear.
